1000 BOOKS

Before Kindergarten

1000 Books Before Kindergarten is a program from Scenic Regional Library that encourages families and caregivers to read 1000 books with their young children before they enter kindergarten.

Instructions

1

Each circle equals reading one book. After every 100 books, bring this log to your local branch and receive a sticker. When you reach 1000 books, visit a branch to receive a color-your-own book bag.

FAQs

Can we really read that many books before kindergarten?

Yes! If you read one book a day you can complete the program within three years.

Can other people read to my child besides me?

Stories read by parents, grandparents, siblings, etc. all count. You can also count books read at storytimes.

My child wants to read the same book over and over!

The good news is that repetition is important to learning and you can count that book multiple times.

How many of my children can participate?

If you have more than one child from ages 0-5, all may participate and can count books on individual logs.
